

Put the POP in Popcorn!

This rainbow popcorn recipe is perfect for movie nights!

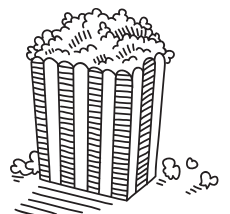

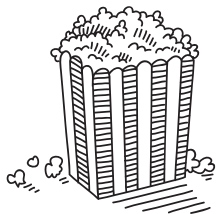

YOU WILL NEED:

- 1/4 cup of candy melts (6 total, each in different colors)
(red or pink, orange, yellow, green, blue, and purple)
- 6 cups of popped popcorn

Directions:

- Line a baking tray with wax paper and set aside.
- Pour one color of candy melts into a microwave-safe bowl. Microwave for 90 seconds. Stir until the candy fully melts.
- Pour in one cup of popcorn and stir well to coat all the pieces. Spread the popcorn on the prepared tray to set.
- Repeat with every other color of candy melts until you have a rainbow!

Remember to always ask an adult for help!
